ABOUT IDPS

INTERNATIONAL DELHI PUBLIC SCHOOL SOCIETY

The International Delhi Public School Society, founded on 22nd February 2012, is a not-for-profit non-governmental organization managed by a committed group of educational visionaries from different parts of India.

The organization believes in creating a strong educational ecosystem based on the principles of brotherhood, mutual support, academic excellence, and holistic child development.

> **At IDPS, we believe that children are the future of every society and that every child deserves equal access to quality education, knowledge, and opportunities.**

OUR INSTITUTION IS DEDICATED TO PROVIDING:

- **Quality Education:** High standards of academic content delivery.
- **Syllabus-Oriented Learning:** Structured approach aligned thoroughly with board patterns.
- **Co-Curricular & Extra-Curricular Activities:** Broad visual, sports, and cultural integration.
- **Personality Development:** Nurturing character, confidence, and posture.
- **Value-Based Education:** Rooting global perspectives inside ethics and morality.
- **Leadership & Life Skills:** Building independent logic and proactive problem-solving frameworks.

We adopt interactive and engaging teaching methodologies that encourage curiosity, creativity, innovation, and independent thinking. Through our progressive educational approach, we strive to nurture responsible citizens who contribute positively towards society and nation-building.
